

Payment Hold

Summary

When processing a mail order prescription there may be an issue with the member's payment method that blocks processing. This functionality allows the member to update the payment method and send the order to be processed.

Parameters

Mail order

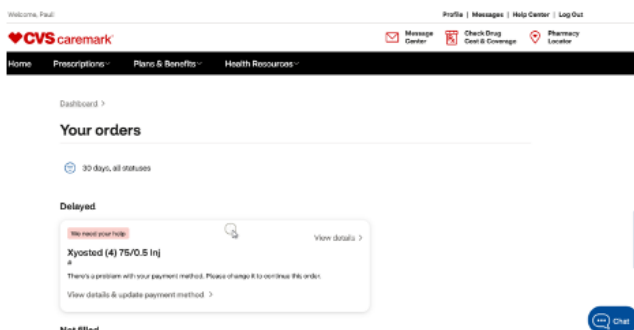

```
{"status":"\ELIGIBLE\","selfServeOption":"\PAYMENT_HOLD\","priority":"1","callToAction":"\N\","displayValue":"\Change Payment Method\","heroAction":"\N\","}
```
